Mr Pietersen let me and Law Enforcement Officer Joey Pieters onto the property .
The property of Mr Pietersen is fully enclosed.
The brown & white Pitbull male is on a +- 6 meter long chain with a collar.
The female was lying inside the kennel and did not look well to me.
I asked Mr Pietersen what was wrong with the dog and he told me that the dog was attacked by another Pitbull.
I told him that the dog needs veterinary treatment and he decided to surrender the dog.
I issued Mr Pietersen with warning nr W4871 and advised him that further action will be taken if he ever neglects to take an animal to the vet that is sick or injured.
Mr Pietersen claims that his dogs did not kill any cats and that his dogs will never leave the property while he is there.
Water and shelter is available.
The black female was surrendered to West Coast SPCA. Refer to Admission C6293.
Will do a re-check.
