There are 2 dogs on the property. One male dog is on a long rope, he can move around. The dog is in a good condition. Water and shelter available for the dog. The female puppy was roaming free. The owner said she did tie the puppy in front of the house for a while because their yard is not enclosed and she had to go to the shop. I educated her on putting the dog on a long rope or runner if she needs to tie her. Will re-check again.

Regina let me on the property.

I asked Regina where the puppy is and she told me that she gave the puppy to her son who lives in Vredenburg.

The white Terrier X is still on a +- 8 meter long rope with a collar.

Water and shelter is available.

Living area is also clean.
