Comments: Assign Inspector Warnings-Issued
On arrival I met a lady who identified herself as Victoria and she was guiding some people who were riding the horses. Victoria was very rude to me and she phoned Ronel. Ronel came and she understood the reason. I was at her stable and I also informed her about the behaviour of her worker and she apologised.
All the horses I observed are in a fair and acceptable body condition. I advised Ronel to apply for a PAPA licence and I issued her with a 7 day warning. Inspector October will do a re-check in the stables. I observed food, water, shelter, saddles and some medication for the horses.

Ronel told me that she has completed the application for the P.A.P.A. licence and now she is waiting on the outcome from the Department of Agriculture.
Will re-check.
