Type: REMOVED-WITH-WARRANT**Follow-Up Date:** 2022-12-28

Comments: I went to the court in Malmesbury was successful in obtaining a court order. When I got to the address the one dog was roaming free and the other dog was still on a short. The owner was not at home I confiscated the one dog and gave the warrant and seizer notice to his mother Magrieta Booysen. I loaded the dog into the Spca bakkie and left.
