Diana ;has one dog that is tied on a short chain. The dog is a bit underweight. There is some sort of shelter available for the dog. I gave Diana a warning that she needs to provide the dog with proper dog food 2 times a day. The dog needs to pick up weight within 14 days and the dog needs to be put on a runner and provided with a collar for his neck. Will re-check.

2020-07-22 12:05 Assign Inspector Re-Check
Re-check. The dog has picked up weight. The owner did buy dog food. Water and shelter available for the dog. He was put on a runner and a collar for his neck. I educated on building a proper kennel for the dog. Will re-check.
