There are 2 dogs on the property. Both dogs are on short chains and does not have collars around their necks. The white dog is in a fair condition. Water and shelter available. The tan male pitbull dog is under weight, he has shelter and water available. There was dog food inside the house. I gave Anna a warning and educated her on runners and collars for the dogs and also on the condition of the dogs. Will re-check.

Jan was at home and he allowed me into the property. Both dogs are still on runners and I also observed water, collars and shelter. The body condition of both dogs is fair and acceptable. I will do another recheck when in the area.
