Type: WARNING / NOTICE RESPONSE RECORD

Follow-Up Date: 2022-06-09

Comments:

Date	Type	Handler	Inspector	Stage
------	------	---------	-----------	-------

2022-03-07 14:35	Assign Inspector			Warnings-Issued
------------------	------------------	--	--	-----------------

All the dogs on the property are on short chains except the puppy that is loose . The body condition of all the dogs on the property is fair and acceptable. Water, food and shelter observed. I issued a warning advising Julian to remove the dogs from the short chains. I will re-check in 7 days.

2022-03-14 13:10	Assign Inspector			Re-Check
------------------	------------------	--	--	----------

The owner complied and all three dogs do have collars and are on long chains. Water and shelter observed. The puppy is loose and the body condition of all the dogs on the property is fair and acceptable. I will re-check when in the area.
