 On the 25th of July 2019, I went to conduct an inspection at the Saldanha Animal Care Shelter in Saldanha. Antonio, the caretaker let us on the property to do an inspection. +- 37 dogs observed. The dogs is well taken care off and in very good condition. Antonio, the caretaker ,is 24 hours with the dogs. In every camp there were environmental enrichment for the dogs. Each dog had his or her own kennel available. The Pitbulls had tires and other toys they can chew on to minimize the kennel stress. The set up is very neat and their animal husbandry is good. The dogs are also taken for regular walks by the public. No injured or sick animals observed. Will re-check when in the area.
