No people at home and no sign of a puppy on a short leash.
I will do a re-check when I am in the area again.
Assign Inspector Tue 28-Dec-21 Warnings-Issued Patrick Chiwawa
The dog is on a short rope of less than 2 meter long. Water and shelter observed.
The dog's body condition is fair and acceptable. Carlo told me that he is going to put the dog on a runner as he claimed that the dog jumps out of the property into the street.
I issued a warning and will re-check in 7 days.
Assign Inspector Wed 05-Jan-22 Re-Check Jameson October
The owner has decided to let the dog loose on the property. I also observed water and shelter for the dog.
The property is fully enclosed so I asked the owner why the dog needs to be chained if the property is fully enclosed and he claims, the dog sometimes jumps over the vibrecreet wall.
I will do a re-check when in the area.
Being Investigated Mon 11-Apr-22 Re-Check Jameson October
The terrier X male is still loose on the property. Body condition of the dog is acceptable.
Water and shelter is available.
Will do a re-check when in the area.
