All the dogs were on short chains but they did have shelter and collars. I also observed water. The three dogs that were surrendered were all thin. Adm # C9499,C9500 and C 11401. There is one dog left on the property which is on a short chain but the puppies are running loose. The body condition of the puppies and the adult dog left is fair and acceptable. I issued a warning and will re-check in 7 days.
