Comments: Assign Inspector Warnings-Issued

The dog is on a short chain of about 2 meter long. I observed water and a collar.
The dog's body condition is fair and acceptable. The dog is using a plastic rubbish bin as shelter.
Angeline told me that they chain the dog because he is aggressive and the property is not enclosed.
Angeline is Micheal Samuel's girlfriend. Micheal was not at home when I did the inspection.
I issued a warning and it was signed and accepted by Angeline. I will re-check in 7 days.

The dog was inside the house and Angeline told me that her husband made a runner and the dog broke the line.

The owner made a dog kennel. Water and a collar observed. The dog's body condition is fair and acceptable.
