Comments: Assign Inspector Warnings-Issued

Lilian let me on the property where I observed 2X Pitbull dogs on short chains. Lilian told me that the dogs were on runners but they broke the wire and that her husband is working away from home. I observed water, shelter and food for the dogs. Body condition is acceptable.

I issued a warning to put both dogs on runners. Lilian told me that she will get someone to fix the runners.

Will do a re-check.
