Follow-Up Date:	2022-07-07
Comments:	I contacted Mrs Henry to ask her why they has still not come back to us regarding their dogs. Mrs Henry claims that she did try and phone me but could not get hold of me. I told her that is impossible because I get all messages from our reception. I told her that we are going to put the dogs up for adoption. She thanked me for phoning her and told me that she is going to take it further with the owner of the property.
