I saw 1X black & white male Pitbull X on a chain without a collar. The owner said she will provide the dog with a collar. The Property is not fenced, that is why they put the dog on a chain. Shelter and water was observed and the body condition of the dog is fair and acceptable. I also gave Mrs Swartz education on a runner.
Will re-check at 7 days.

I went to do a re-check and to find that the owner did not comply to the notice I left on 13 January 2022.
I left another Notice and will re-check after 7 days.
Water and shelter is still available and the body condition is fair and acceptable .
