Jacqueline has 2 dogs that are both on runnders. She said because they live on a farm the dogs must be on chains or camps. The male dog is sterilized and she said that the female dog will be sterilized on the 16th of June 2021. She said that the people that comes to sterilized will also bring a kennel for the tan dog and dog food. Will re-check again. I educated ont he runner and the area needs to be clean at all times.
