Mr Heinrich has 2 dogs the dogs are in a fair condition. They are roaming free on the farm. Water and shelter available for the dogs. I asked Heinrich what happened to the dog that was PTS at the vet in Piketberg. He said that the dog was injured over the weekend and he did not had transport to take the dog to the vet or money for the vet. He said he phoned the police station for assistance for the dog to be PTS. A member of the public then came and fetch the dog and was PTS at the vet in Piketberg. I gave him a warning that this should not happen again if one of his animals is in need of vet care he must take the animal to a vet of phone the SPCA. Will re-check on the remaining animals.
