There are 2 dogs on the property. Their wendy houses did burn last night and the one dog that was tied and he burned. The owner of the dogs mother Mietjie did sign the dog over to the SPCA. Adm # C9727. The other dog is on a chain she is very thin. Water and shelter available. She also does not have a collar around her neck only the chain. I gave a warning. Will re-check.

Re-check. The owner did not adhere to the warning he did not buy food for the dog. There was feces lying where the dog is tied. He did not provide the dog with a collar for her neck.
