Comments: 022-02-11 14:22 Assign Inspector Warnings-Issued
The owner of the female dog was not at home. His girlfriend said that the female dog belongs to her boyfriend and the male dog is her dog. The female dog is in good condition. The dog is on a very short chain without any shelter. I left a warning that the owner needs to put the dog on a runner, provide proper shelter and provide a collar for her neck. Will re-check.

2022-02-17 15:22 Assign Inspector Re-Check
Re-check. The warning was adhere to. The dog was put on a runner. She was provided with a kennel. Water and shelter available for the dog. Will re-check. They still need to provide a collar.
