There is nobody at home. I could see 2 dogs tied on short chains in front of the house. They are in a fair condition. I could not see if they have water in their bowls. There is shelter but the kennels are broken. I left a warning for the owner to contact me within 24 hours. The dogs need to be put on runners and be provided with proper shelter. Will re-check in 7 days.

Re-check. The owners did adhere to the warning. There is water and shelter available for the dogs. The dogs were put on longer chains. The owner said that they are moving soon it is not their house so they can't build a wall that the dogs can roam free. Will re-check.
