There is one male pitbull dog on a short chain. The dog is in a fair condition, water and shelter available for the dog. I left a warning for the owner to put the dog on a runner. His wife said they are going to make a camp for the dog to roam in. Will re-check in 7 days.

The owner complied and the dog is now on a runner. Water, collar and shelter observed. The body condition of the dog is fair and acceptable. The dog is aggressive. The dog is not sterilized and I advised Theresa to sterilize the dog. I will do a re-check when in the area.
