Comments: Assign Inspector Open

I saw 3 dogs on the property running around. I saw 1X female Terrier X dog very thin and I asked if they give the dog food. They said, yes from the leftovers of what they ate and I asked if they don't want to surrender.

They said no, because the dog just had puppies, that's why she is so thin. I told them that the Inspector will come to check if the dog has improved or not, on this body condition.

Further investigation will be done by Inspector October.
