The shelter is also not adequate. I issued a warning to provide adequate shelter, collar and to install a runner.

The gate was locked and I did shout, but no-one came out. Mr Charles did not comply to the initial warning and the dog is still on a chain of less than 2 meter long. I observed a collar and a makeshift dog kennel which is not adequate.

As I was about to leave, Mr Charles arrived and told me that the dog is very aggressive and he told me that he is in the process of building a suitable dog kennel.
