I saw a tan & black Border Collie X tied up on a short chain. Water and shelter was observed and the body condition is acceptable.
I spoke to the daughter and gave her education on how to put a dog on a runner and she said she will tell her mother about the dog on a short leash that they must put the dog on a runner.
Further investigation will be done by Inspector October.

There was no people at home. I did not see the Collie on the property but did see a black puppy loose on the property.
Water and shelter also visible.
As I was about to leave, Mr Baron stopped me. I asked him where the Collie X is and he told me they gave the dog to his Aunt who stays at number 18 Strandloper Street, Vredenburg.
I will do a check on the dog at his new address.
