There was no people at home.

I saw 1X unsterilized male Terrier X. The dog is loose on the property.

I could not see if the dog has water available because the dog has access to the whole yard.

Terrier X looks healthy and body condition acceptable.

From what I could observe, the living area is clean.

Will re-check.

There was no people at home. I observed the 1X white & black Terrier X male inside the yard.

I could see water and shelter available for the dog and his body condition is acceptable.

Will do a re-check when in the area.
