Assign Inspector Warnings-Issued

Dimitri contacted the SPCA in Vredenburg regarding his dog that has been stabbed .

I went out to the address in Louwville, Vredenburg where Dimitri gave me access to the property .

I saw 3X Pitbull dogs on the property, all the dogs were loose at that moment.

I asked about the dog that has been stabbed.

Dimitri showed me the dog that has been stabbed.

The brown & white Pitbull has four open wounds on his whole body.

I explained to Dimitri and his mother that they should take the dog to the Vet to get a Vet report so that the SPCA can help them to lay charges. I issued a warning.

Will follow up.

2022-03-01 15:00 Assign Inspector Re-Check

Mrs Kruger let me on the property.

I asked her if they had taken the dog to the Vet and she told me yes , but they did not have money for the consultation fee.

She also told me that they have cleaned the wounds with salt water and applied Betadine ointment to the wounds.

I explained to Mrs Kruger the seriousness of the situation and that they should take the dog to the Vet if they want to open a case of animal abuse.

I also gave Mrs Kruger the option to surrender the dog.

She said that she will talk to Dimitri, the owner of the dog, and they will give me a call with their decision.

Will follow up.
