Mrs Josephs let me on the property, She had to take the 2X Boerboel X dogs to the back because they are very aggressive towards strangers.

The 2X dogs body condition is not ideal but acceptable. I asked Mrs Josephs what kind of food does she give them and she told me that she gives them rice with their pellets. I also asked Mrs Josephs when last the dogs has been dewormed and she told me she does not know because her late husband used to take care of such things.

I advised Mrs Josephs to get both dogs dewormed then she will monitor their body condition.

Will re-check.
