Assign Inspector Warnings-Issued

There was no people at home. I saw 1X brown & white Pitbull male on a +- 8 meter long chain without a collar around his neck.

The dog has water and shelter available and his body condition is acceptable.

I issued a warning to provide the dog with a collar.

Will re-check in 4X days.

2022-03-25 10:40 Being Investigated Re-Check

Owner has complied to the warning and the dog has been provided with a collar.

The Pitbull is still on a +- 8 meter long chain.

Body condition is acceptable. Living area is also clean.

Water and shelter is available.
