Warnings-Issued

Brown Terrier X male, unsterilized on a +- 5 meter long chain without a collar.

Owner, Abraham, came out and I educated about why the dog should have a collar when needed to be chained and the dangers around a bare chain around a dog's neck.

Water and shelter observed. I issued a warning for collar. Will re-check.

2022-01-24 12:16 Assign Inspector Re-Check

No people at home. Owner has provided the Terrier X with a collar.

Water and shelter was also observed. Living area clean, no old feaces was observed.

Body condition of the dog is acceptable.

Will do a re-check.
