2022-03-24 00:05 Assign Inspector Warnings-Issued

Water, a collar and shelter observed. The dogs body condition is fair and acceptable. Elizabeth was said to be at work and I spoke to Nettie who stay on the same property. The dog is on a short chain of less than 3 metres long. I issued a warning and it was accepted and signed by Nettie. I will re-check in 7 days.

2022-03-31 13:40 Assign Inspector Re-Check

Water and shelter observed. The dog is now running loose despite the property not properly fenced. The dogs body condition is fair and acceptable. Nettie told me that Elizabeth told her that she does not have the money to buy a chain so she will rather let the dog loose. I will do another re-check when in the area.
