The dog is on a short chain of about 2 metres long and I observed a collar. The dogs body condition is fair and acceptable. Water and shelter observed. Freddie was not at home and his girlfriend gave me the go ahead to do the inspection. I issued a warning and Cahida accepted and signed it. I will re-check in 7 days.

The owner complied and the dog is now on a long chain. Water, a collar and shelter observed. The dogs body condition is fair and acceptable. I advised Cahida to sterilize the dog but she said that she will think about it. I will re-check again when in the area.
