There are 3 dogs on the property, 1 GSD male, 1 Rottweiler male dog sterilized and 1 Terrier x female dog sterilized. All the dogs are in a good condition, water and shelter available. There is a camp at the back of the house the owner said that he keeps them in the camp when they go to the shops because they run out into the street. Will re-check again. The camp is big enough and there is shelter available.

There was no people at this property.
I observed the two dogs in front of the house inside the property.
The body condition of both dogs is fair and acceptable.
I did not observe water nor shelter as I was standing in the road.
Will recheck
