The dog is on a long chain of about 5 - 6 metres long with a collar. The dog is using an old steel drum as shelter and I explained to Jeremiah how hot it becomes inside the drum during hot days. Water and food observed. I issued a warning and will re-check in 7 days.

2022-04-01 11:00 Assign Inspector Re-Check
The owner complied and the dog now has adequate shelter. I also observed water and a collar. The dog is still on a long chain. The dogs body condition is fair and acceptable. Jeremiah told me that the dogs vaccine is up to date and he had his 5 in 1 yearly vaccine last Saturday. I will re-check again when in the area.
