The owner of the dog was said to be at work and I observed three dogs on this property but they do have different owners. Tiger is on a short chain of about 2 metres long without a collar. I observed water and shelter. I issued a warning and will re-check in 7 days. The dogs body condition is fair and acceptable. The dog is very aggressive.

Water and shelter observed. The dog is still on a short chain without a collar. The dogs body condition is fair and acceptable. Eva told me that Lisa bought a collar and some wire. I issued another warning and gave it to Bridgette as Lisa was said to be working on a farm. I will re-check in 7 days.

2022-03-22 13:00 Assign Inspector Re-Check
Water and shelter observed. The dog was loose inside the property. The dogs body condition is fair and acceptable. I will re-check again when in the area. There was not people at home.

2022-03-29 00:15 Assign Inspector Re-Check
Water, shelter and a collar observed. The dog is now on a runner and the body condition is fair and acceptable. This is the same property where one dog died of suspected distemper. I advised Meil on the effects of distemper and how it spreads. I will do a re-check again when in the area.

2022-05-03 13:10 Assign Inspector Re-Check
The dog is still on a runner and I observed water, food, shelter and a collar. The dogs body condition is fair and acceptable. The dog is not castrated and Eva told me that she doesn't want to castrate her dog. I will do another re-check when in the area.
