On arrival, the Pitbull puppy was loose on the property.
Nabiel told me that they live in a complex with a lot of children playing and if the dog is loose he chases the children.
I told Nabiel if the dog needs to be tied, it should be in proper manner.
I advised him to install a runner if the dog needs to be tied.
I also told him that he can put the dog inside the house.
Water and shelter is available. Body condition is acceptable.
Will do a re-check.
