 The owner contacted me and told me that he is working away from home but I am welcome to do an inspection at his property.
 The neighbour across the street, who is feeding the dogs while he is away, let me on the property. I saw 2X adult Pitbull dogs and 3X puppies on the property.
 The dogs are in acceptable condition and there is no sign of any mange.
 Water, food and shelter is also available.
 Will re-check.
