Comments: Assign Inspector Tue 25-Jan-22 Warnings-Issued Jameson October
 Mrs Bester let us on the property. I saw 1 X Terrier X on a short chain.
 I asked Mrs Bester why the dog is chained and she claims that he is aggressive towards strangers and her family when they come to visit.
 I also observed objects around the dog's kennel that could hurt him.
 The water bowl was dirty and the water was slimy.
 I asked Mrs Bester to clean the water bowl and to provide the dog with fresh potable water.
 The body condition of the dog is acceptable.
 I educated Mrs Bester on a runner for the dog and to provide a collar.
 I issued a warning and will follow up after 7 days.
