General Report Comments: I saw 1 female terrier x sleeping in the street and I stopped by to speak to the owner of the dog about Sterilization and how dangerous to let the dog sleep in the street he also said he wanted to sterilize her dog but he did not have money for it. I put his name on the list of people who wants to sterilize the dogs and can't afford. Water and shelter was observed and the body condition of the dog is acceptable NFA.
