General Report Comments: The dog and it's four puppies are always in the streets. The owner of the dogs asked me to come to her place when I met her earlier. Water and shelter observed. The body condition of all the dogs on the property is fair and acceptable. The living environment is clean. The owner of the dogs wants me to remove the dogs so I promised to go back later as I can't drive around with the dogs in the vehicle in this hot weather
