General Report Comments: Re-check 2 dogs were tied on short chains. The one black adult female dog does not have a collar around his neck. The puppy was roaming free. Water and shelter available for the dog's. Karen the owner did show me a bag of dog food that she did buy. She said she and her husband is not working she does not have money to put the dog's on runners. I gave Karen another warning to put the dog's on runners and to provide a collar for the black female dog. Or she must let them roam free. The dog's must be dewormed and needs to pick up body condition with 7 days.
