General Report Comments: Karen is a drug addict and when I arrived at her house she was in the company of a lot of boys and she started shouting at me. I advised her to do the honorable thing by surrender the dog named Whitey as the body condition is not improving or I get a warrant and remove the dog. She kept shouting and then another boy convinced her to sign over the dog. She surrendered Whitey. All three dogs were on long static chains with collars. The body condition of the two remaining dogs is fair and acceptable
