| CONFINEMENT OF ANIMALS          | Free roaming - in property |

General Report Comments: I saw 1 female pit bull on the property playing with the kids and I stopped by to speak to the owner of the dog about the condition of the dog. I advised her to vaccinate her dog and sterilize her and she also wanted to know what can she do for ticks and fleas control. I advised her to buy some product for the ticks and fleas. Water and shelter was observed and the body condition of the dog is acceptable NFA.
