General Report Comments: When I arrived the farm workers who are working on the non slip flooring in the parlour were on tea break. The floor now has steel grid on the walkways leading to the parlor. The walkways within the barns and leading to the milking parlour as well as the flooring of the parlour is now non-slip. All walkways were clean. There were no wet bedding anywhere. The sheep are now in camps where there are trees. There were no muddy paddocks. There were no animals in any camps without shelter. The body condition of all the animals observed is fair and acceptable. Water, food and shelter observed
