General Report Comments: Ivan let me on the property where I observed 3x dogs. The border collie x Jack was lying under a tree, no open wounds or injuries observed. Ivan told me that he had another pitbull on the property that he gave away because that dog was always attacking the other dogs. All three dogs are in acceptable conditions. Water and shelter is also available. Ivan said that he will sent me the vet bills as soon as his wife comes home from work. Will do a recheck.
