CONFINEMENT OF ANIMALS	Static Chain - inadequate length **	Andreas said that he is scared the dog will run away as the pro

General Report Comments: The area around the dog kennel is dirty. Sasa is on a short static chain of about 2 meters long and I observed a collar, water and shelter. The dog's body condition is fair and acceptable. Andreas informed me that Sasa has given birth twice and he gives the puppies away to people. I tried to convince him to sterilize the dog and he said that he will think about it. I issued a warning

ACTIONS

Warning Issued W4780

REPORT OUTCOMES

Follow-up inspection to be conducted 2022-11-18

INSPECTION ANIMALS
