| CONFINEMENT OF ANIMALS          | Static Chain - inadequate length ** | Dog bites neighbors chickens |

General Report Comments: There is one female dog on the property. The dog is in a fair condition water and shelter available for the dog. The dog is on a short leash. The owner said that the dog is put on a longer chain at night when the neighbors chickens are put back in their cage. I gave the owner a warning to put the dog on a longer chain or runner. Will Re-check

**ACTIONS**

Warning Issued 4358
