General Report Comments: Lionel was said to be working and his mother in law took me to an open space in Begonia street
There was no water available and I asked Anthea to provide water for the horse which she did in my
presence. There is no shelter or shade for the horse. The horse is tied to a rope that is
approximately 10m long. The horse's body condition is fair and acceptable. I issued a warning and
will recheck in seven days. I will also speak with the Law Enforcement as I believe the bye-laws
doesn't allow farm animals in the residential area
