General Report Comments: I saw 1x brown and white pitbull female in the yard, the dog is very thin and looked sick. I asked the owner Audrey what's wrong with the dog and she told me that the dog does not want to put on weight and that they don't have money to take the dog to a vet. I advised Audrey to surrender the pitbull female. Pitbull female called Mia was surrendered to the SPCA. Refer to admission C10762. No other animals on the property. Nfa until further notice.
