CHECKLISTS

General Report Comments: I could not find the Mare and her foal and nobody seems to know who the horses belongs to. The one guy at the Cafe told me that the horses were there two days ago and he has not seen them since. I called Nicola Viljoen the complainant and she told me that she will make contact with the lady who saw and took pictures of the horses for more details about who they belong to and where they might stay. Will follow up.
