General Report Comments: Water and shelter observed. The body condition of all three dogs is fair and acceptable. Layla is the only loose dog on the property. Rover and Blacky are both on short static chains without collars. The living environment is clean. Aunt Elizabeth no longer want Blacky and she wanted me to take him with but I didn't have space in my bakkie as I'm going to pick up sick dogs in Chatsworth. I'll go back to fetch the dog tomorrow. I issued a warning that I will follow up in 7 days.
