General Report Comments: On arrival Ms Lourens informed me that she took the kitten to the vet and I asked her the proof. She showed me the warning which I issued her yesterday and the vet wrote on the same warning that the client which is Ms Lourens declined treatment of the kitten and euthanasia also and she preferred x-rays and "mobility support " Prosthesis. I then explained to her my next step which was to get a warranty and remove the suffering kitten. Her flat mate then convinced her to surrender the kitten and she signed the Admission form. The Admission number is D 0684. The dog and the other cat doesn't belong to Ms Lourens. They belong to Ms Pretorius
